

PERFECT MOTION UNDERMOUNTING SLIDES - R DRAWER SLIDES

R drawer slides catalogue

“Excellent movement system for different needs”

Soft close & push open

Soft close

Push open

CEMUX R drawer slides combines soft close & push open functionality integratedly to provide a multifunctional choice for high quality design needs.

Perfect running performance - synchronised movement offers an elegant operation sense for you to enjoy better life.

“3-D adjustment for a best experience”

Height and side adjustment is easy to handle by tool-free, and depth adjustment is integrated on slide to achieve optimal effect.
