

CEMUX

REVOLUTION IN METAL BOX - M BOX

Slim drawer system catalogue

“New generation for the metal box”

1.2mm thickness ultra slim drawer in drawer system finish can be use in modern and stylish cabinet design.

More cost-effective way to decorate drawer in double wall drawer system style .

“More functionality of drawer slide”

Soft-close; push-open all can be applied to the M BOX slide; Besides, 3D adjustment is easier to modify the small gap of assembling.

M BOX slide not only assembled with drawer slide, but also can be use individually for wooden drawer.

“Performance in different environment ”

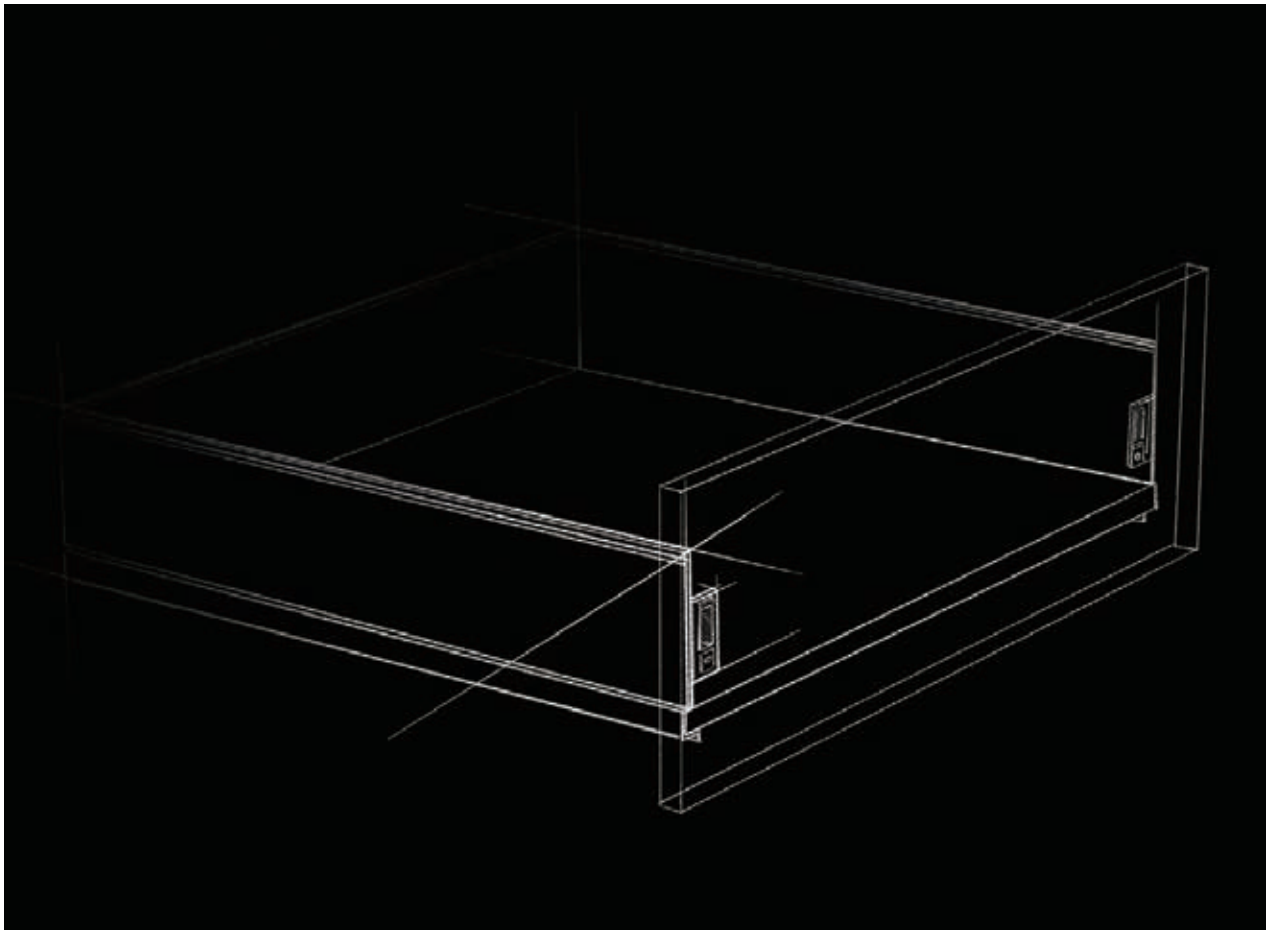

No matter kitchen, living room, bathroom, wardrobe, M BOX can be suitable in any place by full extension and part extension.

M BOX can be easy installation by screws and click to lock the drawer.

“Best design for best living”

Cemux always focus on the product innovation, aims to design the best product for people daily life. Enhancing the atmosphere of living by Cemux product is our company philosophy.

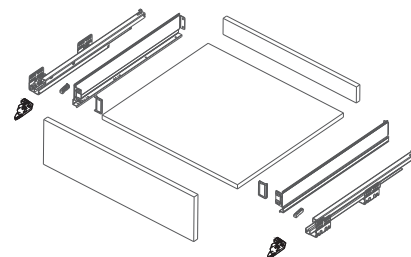

M box - 76mm height

Drawer H76; Soft-close/Push-open; Full extension/Part extension
